Train Simulator Indonesia by Highbrow Interactive is the most.(Reuters) - Fiat Chrysler said on Friday it has secured a deal with Germany's Horex to build its U.S.-made Jeep Grand Cherokee SUV in Europe, in a sign that automakers are betting the U.S.-China trade war will ease. FILE PHOTO: The logo of Fiat Chrysler Automobiles (FCA) is seen on a sign at the company's headquarters in Turin, Italy March 20, 2017. REUTERS/Giorgio Perottino/File Photo The agreement with Horex was agreed during a four-day U.S.-China trade delegation led by United States Trade Representative Robert Lighthizer to Beijing, on the sidelines of which he also met with Chinese President Xi Jinping. FCA has been shifting some production of its SUVs to China and Mexico for years, but unlike some of its competitors, it had not won approval to sell the vehicles in Europe. Last week, FCA unveiled a Jeep Grand Cherokee SUV model built in Mexico, on a line jointly set up with China's Chery. The deal with Horex gives FCA the green light to sell the SUV in Germany and opens up other markets that are seeking new Jeep models. The carmaker
